TST

PACKAGING

60x80x55 cm 50 kg

Le dimensioni ridotte permettono di abbattere i costi di spedizione.
Small sizes allow to reduce the cost of shipping.

Caratteristiche principali / Main features

Codice Code	Modello Model	Portata Flow Rate lt/min	Pressione / Pressure		Giri / Rounds rpm	Potenza/Power		Tensione Voltage Volts	Frequenza Frequency Hertz	Fase Phase
			Bar	Psi		HP	kW			
3.023.14.360	KM300	10	150	2175	1450	3	2.2	230 V	50	1
3.023.14.362	KM350	13	160	2321	1450	5.5	4	400 V	50	3
3.023.14.338	KM400	15	200	2901	1450	7.5	5.5	400 V	50	3

Disponibile anche a 60Hz / Available at 60Hz

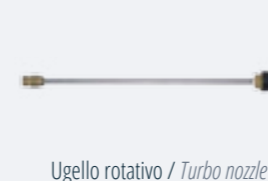

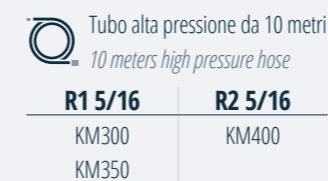

Caratteristiche tecniche / Technical features

- 1 Telaio in acciaio verniciato
- 2 Valvola bypass Mazzoni
- 3 Interruttore On - Off
- ✓ Contatore interno

Painted steel frame
Mazzoni bypass valve
On-Off
Internal hour meter

Accessori Opzionali / Optional Accessories

MOTORE / MOTOR

Motore elettrico MAZZONI serie MEC senza manutenzione asincrono con termiche sugli avvolgimenti.
MAZZONI MEC series maintenance-free electric induction motor with thermic protection on the windings

Giunto elastico
Elastic coupling

POMPA / PUMP

Pompa professionale in linea (a bielle) con testata in ottone e tre pistoni in ceramica.
In line professional pump (with connecting rods), brass head, and three ceramic pistons.

Manometro
Pressure gauge
